

The End of Time. New Timeless plans for business.

Whether you are a sole trader, part of a small business or even a large corporation, you're faced with the same challenges. Keeping costs down. That's where our new Timeless Business plans come in. They give your business the freedom of unlimited calls to Australian GSM mobiles and unlimited standard local and national calls.

Time becomes a thing of the past on the \$99 Timeless Business plan, when you take a \$14.95 Mobile Internet Pack or any Smart Data plan or BlackBerry Bolt On plan.[^]
